Since 2013, we have been taking our passion for Italian food and drink on the road in our vintage Fiat van to festivals, events and supper clubs across the UK.

Here at our Italian Bar & Kitchen in Vine Street, we source the best antipasti, aperitifs and wines from across Italy.

With seasonal small dishes and fresh pasta handmade twice a day, it's all served in an open bar and kitchen setting for a casual and intimate dining experience. We hope you enjoy it as much as we do.

For more information on our menus, events or even booking our restaurant for your own private celebration, see our website at cincin.co.uk and follow our social media feeds @CinCinUK
