3 COURSE BOX (MEAT)**

STARTER

Rabbit croquette, wild garlic pesto

Contains: dairy, Gluten, Celery

METHOD:

Preheat your oven to 180 degrees and place your croquette on a tray in the middle shelf. Set a timer for 10 minutes. To check your arancini is piping hot in the middle, probe the food ensuring it is 75 degrees and over. If you don't have a probe then use a knife or a metal skewer to check the temperature.

Dollop your wild garlic pesto onto a plate with your croquette and scatter grated pecorino on top.

MAIN

Strozzapreti, beef ragu, radicchio & pickled red onions

Contains: Dairy, Gluten, Sulphites

METHOD:

Bring a medium pan of salted water to the boil. Decant the beef ragu into a pan, set a low heat and stir regularly until simmering. When the salted water is boiling, add the strozzapreti and carefully cook for 3 minutes. It is fresh pasta so it will cook quite quickly but test it to see if you'd like it firmer or softer.

Drain the water out through a colander and immediately place the pasta into the sauce and continue to stir over a low heat for 20 seconds so the pasta absorbs the flavour of the sauce. Taste for seasoning.

Equally split your pasta into two plates and scatter your grated pecorino cheese and focaccia crumb over the top. It's time to sit back and enjoy. Buon appetito!

DESSERT

Vanilla rice pudding, poached Yorkshire rhubarb, caramelised white chocolate

Contains: sulphites, dairy

METHOD:

Your rice pudding is ready to eat, so relax and enjoy.
