STARTER

Rabbit croquette, wild garlic pesto

METHOD:

Preheat your oven to 180 degrees and place your croquette on a tray in the middle shelf. Set a timer for 10 minutes. To check your croquette is piping hot in the middle, probe the food ensuring it is 75 degrees and over. If you don't have a probe then use a knife or a metal skewer to check the temperature.

Dollop your wild garlic pesto onto a plate with your croquette and scatter grated pecorino on top.

METHOD:

Bring a medium pan of salted water to the boil. Decant the sauce into a pan, set a low heat and stir regularly until simmering. When the salted water is boiling, add the strozzapreti and carefully cook for 3 minutes. It is fresh pasta so it will cook quite quickly but test it to see if you'd like it firmer or softer. Drain the water out through a colander and immediately place the pasta into the sauce and continue to stir over a low heat for 20 seconds so the pasta absorbs the flavour of the sauce. Taste for seasoning. Equally split your pasta into two plates and scatter your grated pecorino cheese and focaccia crumb over the top. It's time to sit back and enjoy. Buon appetito!

SECONDO

Shoulder of braised lamb, Jersey royals & rosemary, purple sprouting broccoli

Contains: Dairy, Celery, Sulphites

Method:

Preheat the oven to 200C. Place your foil in the middle shelf of your oven and reheat for 8 minutes with the lid on. Then take the lid off and place back into the oven for another minute and a half. When the time is up remove the lid ensuring all the food is piping hot. Plate up and enjoy with wine!

DESSERT

Vanilla panna cotta, strawberry jelly & white chocolate crumb
